

Everything Will Be Alright

Norman Hutchins

Weeping may endure for a night
Joy will come in the morning
May endure for a night
Joy will come in the morning
Hold on my brother
Sister don't worry
Everything will be alright
The pressures of life
Get hard sometimes
But there's no need to worry
I know you're feeling kind of ow
Bug God's got it all in control
Just hold on to your faith
Never quit
And keep running this race
Everything will be alright
You tired of going through
All the time
And it seems it will never end
God has something great
In store for you
If you can press on through
But just thank God
For where He's brought you from
The worst is over
The best is yet to come
Everything (2x)
Everything will be alright
Make alright (repeat)
Everything (3x) Alright
Everything will be alright
