

# Thrown In The Gutter

Normandie

Sinking  
Heart is beating  
Feels like I am drowning  
Breathless  
Breathing  
Underneath the surface  
Beaten but not broken  
Tear my heart wide open  
Leave me starving  
Thrown in the gutter

I gave it up  
Put nails in the coffin  
Leave me to rot  
A king of the carcass  
I have been here before  
Hollow bones, hollow core  
I will rise  
Cause I came from nothing  
Thrown in the gutter

14 years gone in a second  
Cause I broke out of Eden  
Got locked out of heaven  
Now my heart is wherever I may Rome  
Close my eyes and I can see it  
What was buried deep inside has come alive

I gave it up  
Put nails in the coffin  
Leave me to rot  
A king of the carcass  
I have been here before  
Hollow bones, hollow core  
I will rise  
Cause I came from nothing  
Thrown in the gutter

I gave it up  
So put the nails in my coffin  
Cause I won't feel nothing at all

I gave it up  
Put nails in the coffin  
Leave me to rot  
A king of the carcass  
I have been here before  
Hollow bones, hollow core  
I will rise  
Cause I came from nothing  
Thrown in the gutter
