

(And here is G.I. Joe with Kung Fu Grip)

(Kung Fu Grip)

Five, four, thicky, thicky  
Vibe around the city, rollin' sticky, sticky  
Back outside, got it litty, litty  
Pretty and I got some bad bitches with me, with me  
I get what I want, gimme, gimme  
Pretty face, thick thighs and my hips don't lie  
Way I got you hypnotized, feel like Biggie, Biggie  
Mmm, mmm, mmm, mmm, mmm, yeah

No, you can't deny it all  
I see in your eyes, you love the view that I provide for you  
How you want it, baby  
How you want it, love, sexy, independent  
The real, no pretendin'  
I'ma vibe, ain't no hidin' it  
Kung fu grip when you slide in it  
But you know that I

Five four, thicky, thicky  
Vibe around the city, rollin' sticky, sticky  
Back outside, got it litty, litty  
Pretty and I got some bad bitches with me, with me  
I get what I want, gimme, gimme  
Pretty face, thick thighs, and my hips don't lie  
Way I got you hypnotized, feel like Bicky, Bicky  
Mm, mm, mm, mm, mm

Come do it, do it, big  
Grown now, we ain't no kids

Need you to ride it like

How you want it, love?  
Sexy, independent  
The real, no pretendin'  
I'ma vibe, ain't no hidin' it  
Kung fu, kung fu grip when you slide in it  
But you know that I

Five four, thicky, thicky  
Vibe around the city, rollin' sticky, sticky  
Back outside, got it litty, litty  
Pretty and I got some bad bitches with me, with me  
I get what I want, gimme, gimme  
Pretty face, thick thighs, and my hips don't lie
