

## Still

Normani

Back then they didn't want me  
Now I'm hot, can't keep 'em off me  
Lights flash  
Shaking ass  
With my girls, spending money

Still in the strip club with my feet up  
Houston raised, Nola born, R&B pop star, diva  
I'm -

Still going up in the section  
Standing on the couch getting reckless  
I be saucing nigga like dressing  
In Christian Dior, I'm a blessing  
Too busy living my life  
I ain't even see your message  
I'm with the smoke like Os  
Bitch, you could have my exes

Still sexy, still extra  
With my girls flexing (still)  
Still sexy, still extra (uh-huh)  
With my girls flexing (still)  
Still, still, still  
Still, still, still, still

Car swinging like a cup of lean  
Gold grill, diamonds on my teeth  
Big pimping, hold up  
RIP Pimp C  
(Still)

Hold it down for my city  
I got some real nigga and some bad-ass women  
You ain't never seen 'em this pretty  
And we -

Still going up in the section  
Standing on the couch getting reckless  
I be saucing nigga like dressing  
In Christian Dior, I'm a blessing

Too busy living my life  
I ain't even see your message

Still sexy, still extra  
With my girls flexing (still)  
Still, sexy, still, extra (uh-huh)
