

Bird Without a Feather

North Mississippi Allstars

Just like a bird without a feather
You know I'm lost without your love
Just like a bird without a feather
You know I'm lost without your love
I need your love
Like the angels need heaven above

Yeah, I love that woman
Said she didn't love nobody but me
Yeah, I love that woman
She said she didn't love nobody but me
Yeah, but I caught that woman cheatin'
My home ain't where it used to be
(Naw, got my face turned to the wall, baby)

Yeah, I spent a long time in the jail baby
With my face turned to the wall
Yeah, a long time in the jail baby
With my face turned to the wall
All I could hear, all I could hear
Was my baby call
