

# Don't Let the Devil Ride

North Mississippi Allstars

Don't let the devil ride  
Don't let the devil ride  
No, no  
If you let the devil ride  
He'll want to drive  
Don't let him ride

I'm gonna say it one more time

Said, "Don't let the devil ride  
No, no  
Don't let the devil ride  
No, no  
If you let the devil ride  
He'll want to drive  
Don't let him ride."

Said, "Don't let him drive your car  
No, no."  
I said, "Don't let him drive your car  
No, no."  
If you let him drive your car  
He'll take you too far  
Don't let him ride."

Let me play it. Yeah

Don't let him be your boss  
No, no, no  
I said, "Don't let him be your boss."  
Don't you do it. No, no, no  
If you let him be your boss  
Your soul will surely be lost  
Don't let him ride

I said, "Don't-don't let the devil ride."  
Oh, don't you do it  
Don't you do it  
No  
I said, "Don't. No, no. Don't let the devil ride."  
Don't you do it  
No, no, no  
If you let that devil ride  
He'll surely want to drive  
Don't let him ride."

I got to say that thing one more time

Don't let the devil ride  
Don't you do it  
Don't you do it  
I said, "Don't let the devil ride"  
If you let the devil ride  
He'll surely want to drive  
Don't let him ride

If you let the devil ride

He'll surely want to drive  
Don't let him ride

If you let the devil ride  
He'll surely want to drive  
Don't you let him  
Don't you let him  
Don't you let him ride
