

Still Shakin'

North Mississippi Allstars

Cut me in and cut it out
I'm all in without a doubt
The thick and thin, family and friends
Still shaking

They know we getting money
I'm on it already
By any means necessary

Cut it in and cut it out
I'm all in without a doubt
The thick and thin, family and friends
Still shaking

It don't matter what dirt is on my boots
I'm in a Mississippi state of mind
It don't matter what dirt is on my boots
I'm in a Mississippi state of mind

Come on all of y'all, shaking booties in the house
Yeah, Mississippi, Mississippi state of mind

We ain't playing

[?] sun, oh one shining quarter
Shaking hands with [?] it gets shorter and shorter
[?] wrap it up, toes up and deep

Know you know us
Keep on keeping on, making a fuss

We ain't playing
Yeah, still shaking

You gotta fake it till you make it son
Through some range months and low expectations
If you got it or you ain't son
Appreciate all of yall, keeping us on the run

It don't matter what dirt is on my boots
I'm in a Mississippi state of mind
It don't matter what dirt is on my boots
I'm in a Mississippi state of mind

Come on all of y'all, shaking booties in the house
Yeah, Mississippi, Mississippi state of mind

If I knew then what I know now
Shake it so low, shake ass on the ground
We going so low
So low you can't hear it
Unless
I'm by myself or with somebody
Unless
I'm by myself or with somebody

I'm still shaking (still shaking)

Yeah I was still shaking (still shaking)
Still shaking (still shaking)
Yeah I'm still shaking
