

Enough For Me

North Point Worship

O love surpassing knowledge
Grace so full and free
I know that Jesus saves me
And that's enough for me
O wonderful salvation
From sin He makes me free
I feel the sweet assurance
And that's enough for me

Hallelujah
No one greater
Hallelujah
What a Saviour
Oh, You gave Yourself
Broken on that tree
Your sacrifice, is enough for me

Oh, capture my affection
Let my heart forever be
Singing only of Your love
And that's enough for me
Overshadowing my failures
And all my victories
It's the cross of Your salvation
And that's enough for me

Hallelujah
No one greater
Hallelujah
What a Saviour
Oh, You gave Yourself
Broken on that tree
Your sacrifice, is enough for me!

O blood of Christ so precious
Poured out on Calvary
I feel its cleansing power
And that's enough for me!
Oh, You are enough
Oh, it's enough, for me
You are enough, for me
Oh, it's enough, for me
Oh-oh oh-oh!

Hallelujah
No one greater
Hallelujah
What a Saviour
Oh, You gave Yourself
Broken on that tree
Your sacrifice, is enough for me
Hallelujah
No one greater
Hallelujah
What a Saviour
Oh, You gave Yourself
Broken on that tree

Your sacrifice, is enough for me
Yes, Your sacrifice, is enough for me

O-o-oh, o-o-oh
Oh, it's enough
Oh, it's enough, for me
O-o-oh, o-o-oh
Oh, it's enough...
