

## Find A Reason (Joyful Joyful)

North Point Worship

Joyful, joyful, I adore You  
God of glory, Lord of love  
My heart unfolds like flowers before You  
Opening to the sun above

In every blessing  
In every storm  
I have a reason to praise You, Lord  
When favor finds me  
When hope escapes  
I'll find a reason to praise Your name

Melt the clouds of sin and sadness  
Drive the dark of doubt away  
Giver of immortal gladness  
Fill me with the light of day

In every blessing  
In every storm  
I have a reason to praise You, Lord  
When favor finds me  
When hope escapes  
I'll find a reason to praise Your name

Through it all, Lord, I'll remember  
You will never leave my side  
In sorrow, joy, and even death there's  
Victory in the blood of Christ  
There's victory in the blood of Christ

There's victory

So I will sing

In every blessing  
In every storm  
I have a reason to praise You, Lord  
When favor finds me  
When hope escapes  
I'll find a reason to praise Your name

In every blessing  
In every storm  
I have a reason to praise You, Lord  
When favor finds me  
When hope escapes  
I'll find a reason to praise Your name

We have a reason to praise your name  
So many reasons to praise your name

In every blessing  
In every storm...
