

# Must Be The Savior

North Point Worship

There's a Healer  
There in the crowd  
Seems like everyone is closer than me  
His name is Jesus  
I've heard of His power  
But I wonder if His miracle could reach  
Someone as far away as me

Is He willing  
Is He able  
Does He hear, does He see  
Is He faithful  
Is He holy  
Is He greater  
Is He good, is He God  
Is He Savior

As I make my  
Way through the crowd  
I have doubts but I will see for myself  
I hope that Jesus  
Is all that they've said  
The Messiah, who was promised long ago  
Reaching out's the only way that I will know

Is He willing  
Is He able  
Does He hear, does He see  
Is He faithful  
Is He holy  
Is He greater  
Is He good, is He God  
Is He Savior

Just a touch of His robe  
I could feel His power flow  
It's changing all I've ever known  
This must be the Savior

Just a touch of His robe  
I could feel His power flow  
It's changing all I've ever known  
This must be the Savior

Just a touch of His robe  
I could feel His power flow  
It's changing all I've ever known  
This must be the Savior

Now I know

He is willing  
He is able  
Yes, He hears and He sees  
He is faithful  
He is holy  
He is greater

He is good, He is God  
He's the Savior  
He is good, He is God  
He's the Savior

Now I know, now I know

There's a Healer  
I know that now  
I was never just a face in the crowd
