

# On My Way Back Home

North Point Worship

Traveling down a back road in search of something more  
Not sure what I was up against or what I was fighting for  
Alone there in the distance, I saw the signs of life  
Now there is no going back, hope is on the rise  
Hope is on the rise

Love came knocking on my door  
Mercy lifted me up  
No more running, O my Lord  
I'm on my way  
I'm on my way back home

There's strength for every trial, there's mercy for today  
No need to steal and borrow, child come and take your place  
What's done has been forgiven, the old is dead and gone  
Grace has brought me safe this far, and grace will lead me home  
Grace will lead me home  
Grace will lead me home, yeah

Love came knocking on my door  
Mercy lifted me up  
No more running, O my Lord  
I'm on my way  
I'm on my way back home  
I'm on my way back home  
I'm on my way back

I'm going to my Father's house, the greatest life awaits  
Sitting at the table, free from all my guilt and shame  
I might have lost my way, but I never lost the song  
That led me back into Your arms, right where I belong  
Right where I belong  
Right where I belong, yeah

Love came knocking on my door  
Mercy lifted me up  
No more running, O my Lord  
I'm on my way  
I'm on my way

Love came knocking on my door  
Mercy lifted me up  
No more running, O my Lord  
I'm on my way  
I'm on my way back home

I'm on my way back  
I'm on my way back home  
I'm on my way back  
I'm on my way back home  
I'm on my way back  
I'm on my way back home  
I'm on my way back  
I'm on my way back home
