

# Praise Your Name

North Point Worship

I have seen your faithfulness  
You never break your promises  
You are good, always good, my Jesus

In the tension of the night  
Speak Your word, my guiding light  
I will trust, I will trust You Jesus

I praise Your name  
In every moment I will choose to sing  
With all I am, with every breath I take  
I praise Your name

There's always grace for a broken heart  
You're my strength when the day gets hard  
Be my hope, You're my hope, King Jesus

I praise Your name  
In every moment I will choose to sing  
With all I am, with every breath I take  
I praise Your name

I praise Your name  
You are the giver of every good thing  
With all I am, with every breath I take  
I praise Your name

In the good and the bad times  
In the shadow, in the sunlight  
It's my joy for my whole life  
To praise Your name

In the good and the bad times  
In the shadow, in the sunlight  
It's my joy for my whole life  
To praise Your name

In the good and the bad times  
In the shadow, in the sunlight  
It's my joy for my whole life  
To praise Your name

I praise Your name  
In every moment I will choose to sing  
With all I am, with every breath I take  
I praise Your name

I praise Your name  
You are the giver of every good thing  
With all I am, with every breath I take  
I praise Your name
