

## Enemy

Northern Lite

my lover is my enemy  
and I can't do a thing  
giving just a little...  
but taking everything

no I don't show  
hey I don't know  
maybe I just can't let go

my lover is my nightmare  
stuck in my bed  
feeling just so good about it  
but she's gonna regret

no I don't show  
hey I don't know  
maybe I just can't let go
