

## Liar

Northern Lite

I never let you go  
You're the one for me  
I thought I told you so  
Isn't it plain to see

The reason why I live  
That's why I'm always true  
There's nothing to forgive  
It's only me and you

But before we go  
You should know  
That I am a liar...

I am a liar

Baby take my heart  
It's only you inside  
Well, I tried so hard  
But I can not hide

Now listen to my vow  
It's everlasting love  
And can you feel it now  
Coming from above

But before we go  
You should know  
That I am a liar...

I am a liar
