

Abomination

Northlane

Re-emerging as a monster
Re-emerging as a monster
An imposter out of lifelines
Manning a dead mind
Abomination

I'm a slave to blame
Trying to hide my shame
Now I'm growing numb
In the burning sun
Abomination

Re-emerging as a monster
An imposter out of lifelines
Manning a dead mind

Lifeless, I'm a baron desert
Void of self-belief
Tired desires are dying in the heat

I'm a slave to blame
Trying to hide my shame
Now I'm growing numb
In the burning sun
Abomination

(Silenced)

Re-emerging as a monster
I'm an imposter out of lifelines
Manning a dead mind
Abomination

I'm a slave to blame
Trying to hide my shame
Now I'm growing numb
In the burning sun
Abomination
