

Outta Control

Nosferatu

A tune for serenity, fucking up the enemy If anyone makes it then that's the way it's meant to be

Out of control !

A tune for serenity, fucking up the enemy If anyone makes it then that's the way it's meant to be (ment to be-ment to be)

But we've got the torch now Burn this motherfucker down

A tune for serenity, fucking up the enemy If anyone makes it then that's the way it's meant to be
