

No Way Out

Not Enough Space

Illusions of my mind, this sickness nevers dies
I've left myself behind, can't seem to find the way out
No way out, there's no way out
No way out, there's no way out

Illusions of my mind, this sickness nevers dies
I've left myself behind, can't seem to find the light
Illusions of my mind, this sickness nevers dies
I've left myself behind, can't seem to find the light

Sinking into the middle of her, wondering how I got myself here
I've become what I fear, I feel the end is near
My reflection staring back at me

Illusions of my mind, this sickness nevers dies
I've left myself behind, can't seem to find the light
No way out, there's no way out
No way out, no way fucking out
BLEGH

I can't believe I let it get this bad again
I can't believe I let it get this bad again

Sinking into the middle of her, wondering how I got myself here
I've become what I fear, I feel the end is near
Tell me there's a way out, if there is a part of me that wants
to stay
I'm begging for a way out, I promise that I'll try to change my
face

Illusions of my mind, this sickness nevers dies
I've left myself behind, can't seem to find the light

Find the...
I can't believe I let it get this bad again
I can't believe I let it get this bad again
Can't seem to find the light
