I tell her come and jump in my Addison Lee  
Cus there's no time, no time to waste I got my yard for free  
Peng ting called Madison  
I tell her come jump in my Addison, jump in my Addison Lee

I just called a driver  
I slapped on a promo code till you get to my yard for a fiver  
Only for a fiver would you  
Come and spend a night with me?  
Lay your head tonight with me?  
You could jump inside the ride it's free  
Jump inside the ride it's free

Just spoke to boss dem  
Boning don't take too long getting paid right now is the problem  
One shit, old and I got no time  
No time to waste I got gal on this ting  
Peng ting named Madison  
There ain't no way you're embarrassing me  
Yeah, ting proper big shotta  
Got the sauce once I dub it down imma dip on her  
Wipe me down, nasty nigga spit 'pon her  
You don't wanna see me push a button but imma clip pop her  
I mean I do it with no pasa  
I just be smoking my ganja  
And they be fucking with me  
I send a tweet, then they gave me a Addi for free

BabyGirl I can give you everything that you need  
You're on my mind don't waste my time just jump in my Addison Lee  
Yeah, I can be your Romeo  
We can go from London to Tokyo  
When I give you that promo code you don't hesitate with your postcode  
You da only girl on my mind  
With a body that I just can't decline  
I count on you cus you're always on time  
You're always on time  
Peng ting called Madison  
Tell her come jump in my Addison  
There's no other girl in comparison  
Ay, ay, ay

I told her come jump in my Uber  
I don't live in the capital city  
The fare was times 2.0  
So you better come and gimme, gimme

Better make it worth that mula girl cus a man ain't rich, no a man ain't ric  
h  
Come take up the ruler girl it's been a hot minute, been a hot minute  
You ain't leavin' sooner girl till we done finished, till we done finished  
Imma make sure that I give it to you right  
Right, right, right, right, right  
That body made me think no Uber girl let's go do why  
And you can try anything you that you want don't be too shy
