Counting

Not3s

Count, count, count, count, count it up
For the struggles and the times that we've had it rough
Uh, the Queen's touch, I can't have enough
Hit a lick and I carry on
Timbuktu from Babylon
Uh, couple niggas that I've brung along
Uh, we them niggas 'cause we still here
And the bad tings in groups come as team players

Get on, stay on
Every second's countin'
Drive it
Come and drive boat, that boat like Meg' the Stallion
How's your lips so sweet like calypso?
Baby, drip-drip's aren't drownin'
How're your lips so sweet like calypso?
Make you drip-drip like fountain (Fountain)

Countin', countin', countin'
Only money I'm countin' (Countin', countin')
Countin', countin', countin'
Only money I'm countin' (Countin', countin')
Wins and money I'm countin' (Countin', countin')
Wins and money I'm pilin' (Pilin', pilin')
Countin', countin', countin' (Countin')
Only money I'm countin'

Say you wanna have it, baby
Can't give it to you 'til you say you wanna have it
Sex with the Rick sav' if you can manage
Don't fall off 'cause you'll make it your habit
Uh, diamonds dancin' while I'm in her insides dancin'
Uh, her mouth move mad down south, that's got nothin' to do with where France is

Get on, stay on
Every second's countin'
Drive it
Come and drive boat, that boat like Meg' the Stallion
How's your lips so sweet like calypso?
Baby, drip-drip's aren't drownin'
How're your lips so sweet like calypso?
Make you drip-drip like fountain (Fountain)
