Knew you can move like this
Ain't seen hips move so slick
Make a man wanna blow up quick

They cannot block my calling
Cash grabbing money falling
The car that I drive foreign
The clothes that I wear foreign
All the girls I get foreign
Bone straight hair they get foreign
Money that I make foreign
The whole set stepping foreign
Foreign foreign it's foreign
Can't roll with us you stalling
Can't be with us they boring
I'm Leonel Messi balling
They do work I put more in
She says that I get more in
Problems that I had solving
They last for a short moment
Act solid but they folding
BadBoy timz I've been loading
Securing the whole damn thing
Securing a whole birking
Been working
Working
And still balling
Balling balling
It's foreign
