

# My Lover

Not3s

Girl you're the baddest, no need to practice  
'Cause you're so different, you always winning, no girl can match this  
They can never match you, 'cause you fire like matchsticks  
Keep up your image, angel to sinners, but you the baddest

I can never be a fool to you, my lover, my lover  
Never be a fool to you, my lover, oh, my lover  
Everything I do for you, my lover, my lover  
Never be a fool to you, my lover, oh, my lover, yeah  
My lover, my lover, my lover (oh)  
My lover, my lover, my lover (oh, my lover)

You be so fly you're my princess Jasmin  
Taking flights every time we mappin'  
I'm upset every time you leavin'  
But I love how your ass be clappin'  
When you're walking away, you take my stresses away  
She so smart up in the brain, so great in the face  
And no one could ever replace

Can never be a fool to you, my lover, my lover  
Never be a fool to you, my lover, oh, my lover  
Everything I do for you, my lover, my lover  
Never be a fool to you my lover, oh, my lover, yeah  
Never be a fool to you, my lover, my lover, my lover (oh, my lover)  
Never be a fool to you, my lover, my lover, my lover (oh, my lover)

You a queen in the streets, so no one else can be above ya  
When you be all alone, at least you know I got ya  
Baby girl I can't lie, you got my heart locked up in your locker  
And she ain't ever been about, that's why I love her

Can never be a fool to you, my lover, my lover  
Never be a fool to you, my lover, oh, my lover  
Never be a fool to you, my lover, my lover  
Everything I do for you, my lover, oh, my lover, yeah  
Never be a fool to you, my lover, my lover, never be a fool to you, my lover (oh)  
Never be a fool to you, my lover, my lover, never be a- , my lover (oh, my lover)  
Never be a fool to you, my lover, my lover, never be a- , my lover (oh)  
Never be a fool to you, my lover, my lover, my lover (oh, my lover)
