

Do shows, do tours
Earthquake through floors
Get P's want more
There's a couple

Stars up in the places that's just how we feelin'
You step in the motive all the gyal are leavin'
Broski with the bottles poppin' through the roof
Peng tings jumping titties popping through the ceiling, yeah

Stars up in the places that's just how we feelin'
You step in the motive all the gyal are leavin'
Broski with the bottles poppin' through the roof
Peng tings jumping titties popping through the ceiling, yeah

Do shows, do tours
Earthquake through floors
Get P's want more
Encore, encore
To blessed to be stressed
And I sweat when I step
So the drippin' forever remains
Me and Rem' can fuck up the tune that we make
So we have the right to be vain
I don't wanna hear a girl say
"Oh what you think you're famous now?"
Yeah Not3s with the 3 in my name
Sport better than an EA game
Got my first AP on a stage
Tinie rating the wave
New dog in the team
AP AP getting big gotta get a new place
[?] he flows through my blood
Shout out to Papes that's my blood
Shout out to Juns that's my blood
FT my blood
Rico my blood
No Sauce that's blood
DJ Keaun that's blood
Too Loud my team that's blood
And we're lookin' like some

Stars up in the places that's just how we feelin'
You step in the motive all the gyal are leaving
Broski with the bottles poppin' through the roof
Peng tings jumping titties popping through the ceiling, yeah

Stars up in the places that's just how we feelin'
You step in the motive all the gyal are leavin'
Broski with the bottles poppin' through the roof
Peng tings jumping titties popping through the ceiling, yeah

I'm a Nigerian eagle
In London smokin' illegal
SK step when I bop through
They don't do what I do for my people
We are not equal, no way

Drip too mint that's Colgate
[?] okay
Forever [?] like Rozay
Fuck what you've heard
I forever got my brother's back
Puttin' Hackney on the map go check the stats
A hundred mili with the streams and I was off my first EP
So the second one's gonna definitely double that
Facts on facts
Both of my cribs that's plaques on plaques
Both [?] that's racks on racks
But understand 'cause we came from that, came from that
Then we got to this (got to this)
And we livin' how stars live
North East London, dope kids
All of my brothers live life in the music
There's a couple

Stars up in the places that's just how we feelin'
You step in the motive all the gyal are leavin'
