

## Where You Been?

Not3s

Trophy baddies that are (Coco)  
Maybe Coca if she cut (clean)  
Thick, tall, short, slim or (lean)  
Playboy got 'em all in the (magazine)  
23 born and raised inna (Hackney)  
Take flights as if I stay (overseas)  
Still about when I (wanna be)  
Can't ask Not3s, "Yo bro, (where you been?)"

Firstly, you called me bro  
Don't you know that this ain't no family tree  
Secondly, I've got homes I can stay at  
If it ain't where the pay at I ain't gotta leave  
Thirdly, there's mouths I gotta feed  
Heights to exceed, making more moves no long ting  
I ain't dead weight, been heavy, it's me that they're pumping  
Till day my haters be suffering  
It's 3 that these gyally be wanting  
Can't go back to PDA, she yours in public  
But it's me she's secretly fucking  
How is this world so disgusting?  
Killbeats can keep the floor thumping  
Coming, I'm coming, I'm keeping 'em coming  
Triple cup up, let me fill it with something  
Pouring for my ones, I miss 'em I got em

Yo Not3s, where you been?  
I've been about and done more for the scene, than you all would've seen  
But I don't need to preach, no need for a speech if you don't believe ask Un  
known T  
No biggie though, it was all a dream  
For me and all of my Gs  
Trap, it stays in my genes  
Since a teen I've been chasing the cream  
Like I'm dry in the knees cap  
I feed the fam fuck your feedback  
Wap like Fat Joe make man lean back  
Ex ting Left guess I needed that  
Addicted to 3, why, I be crack  
Dripping from birth guess I've been tapped  
Baddies worldwide wanna keep contact  
They see Not3s and they see more racks  
But I've been on that

Shake it  
Shake it  
Shake it  
Shake it  
Shake it  
Bend it up for me  
Bend it up, go low, bend it up for me  
Baby girl shake it up, bend it up for me
