

AM:PM

NOTD

I fall too often
And I love to complicate until there's nothing
My feet get cold
So no more talking
Let's just let it go the way that it's been going
Yeah, keep me close

I wanna feel like this forever
A little reckless babe
But we can do whatever we like
Yeah we can feel like this forever
I want you front and center
I could be your 9 to 5

Ooh
Ooh, you're all I want
Give me all your love around the clock
AM, PM
Ooh, you're all I want
We're going and we're never gonna stop
AM, PM
AM, PM

No seconds wasted
And I feel the night fading
But I'm wide awake and I don't wanna go
So let's not waste this
Go ahead, take the shot
My lips will be a chaser
I ain't going home

I wanna feel like this forever
A little reckless babe
But we can do whatever we like
Yeah we can feel like this forever
I want you front and center
I could be your 9 to 5

Ooh
Ooh, you're all I want
Give me all your love around the clock
AM, PM
Ooh, you're all I want
We're going and we're never gonna stop
AM, PM
AM, PM

I wanna feel like this forever
A little reckless babe
But we can do whatever we like
Yeah we can feel like this forever
I want you front and center
I could be your 9 to 5

Ooh
Ooh, you're all I want
Give me all your love around the clock

AM, PM
Ooh, you're all I want
We're going and we're never gonna stop
