

## Panic

NOTD

Head on your shoulder  
Can I keep my composure?  
Losin' my shit, I'm mad  
Usually so relaxed  
Can you stay over?  
Am I bein' too forward?  
Maybe I move too fast  
Can't help that I want you bad

And I hope you know that I  
Kinda like how you're makin' me panic, reckless romantic  
Don't wanna fight  
How you're makin' me panic, think it's a sign that I  
I just really want you bad

Pull you in closer  
Feelin' drunk, but I'm sober  
The way that you bring me back  
Is how you erase my past

And I hope you know that I  
Kinda like how you're makin' me panic, reckless romantic  
Don't wanna fight  
How you're makin' me panic, think it's a sign that I  
I just really want you bad

You're makin' me panic  
You're makin' me panic  
Mm

I'm scared to, to want you  
I'm scared to lay it all on the line  
I'm scared to, to need you  
Heart racin'

I hope you know that I  
Kinda like how you're makin' me panic, reckless romantic  
Don't wanna fight  
How you're makin' me panic, think it's a sign that I  
I just really want you bad

You're makin' me panic  
You're makin' me panic
