

Worst Thing

NOTD

But would it be the worst thing if your car wouldn't start
And we had to fog up the windows when it gets dark
Just to keep us warm?

I wish we never met sometimes
Till I'm with another ex and I
Forget that you're the best sometimes
Wonder if I'm in your head
'Cause I hate this
And I hate that you're making me say this
'Cause I ain't one to say this but

We claim we're better off apart
Pretend that we don't get along

But would it be the worst thing if your car wouldn't start
And we had to fog up the windows when it gets dark
Just to keep us warm?
And would it be the worst thing if we both fell asleep
Woke up to twenty calls each
Wondering where the hell have we been?
If it means that we'd have eight more hours alone
Or even if we never make it home
I guess that wouldn't be the worst thing

Don't wanna overcomplicate
I tend to overcompensate
When you're not here can't help it
My thoughts are automatic
Keep pulling me in
Under my skin
I should admit
I- I'm in a gridlock
With my same thoughts of you

We claim we're better off apart
Pretend that we don't get along

But would it be the worst thing if your car wouldn't start
And we had to fog up the windows when it gets dark
Just to keep us warm?
And would it be the worst thing if we both fell asleep
Woke up to twenty calls each
Wondering where the hell have we been?
If it means that we'd have eight more hours alone
Or even if we never make it home
I guess that wouldn't be the worst thing

Would it be, would it be the
Would it be the worst thing?
Would it be, would it be the
Would it be the worst thing?
(I guess that wouldn't be the worst thing)
Would it be, would it be, no
The worst thing, yeah
Worst thing?

But would it be the worst thing if your car wouldn't start
And we had to fog up the windows when it gets dark
Just to keep us warm?
And would it be the worst thing if we both fell asleep
Woke up to twenty calls each
Wondering where the hell have we been?
If it means that we'd have eight more hours alone
Or even if we never make it home
I guess that wouldn't be the worst thing
