

## Iron Sights

Nothgard

Run! Run for your life!  
Over hill and vale  
No reason behind  
Don't ask me why!  
You're better off dead!  
Close your eyes!

Death in the air  
At the crack of dawn  
New day - new chance  
One on one  
Life in my hand  
The power is mine  
It can be so easy  
Behind iron sights

An uneven game  
I don't give a shit  
All I want is you  
Cause I am sick  
A one on one  
This is Beast versus man
