

Lightcrawler

Nothgard

On the seek for the glaring light
On the hunt to morph the night
It ravens all and everyone
Like dark matter!
You are the sun!

It's a creature mean and pale
Entirely weak, fully insane
And only through external shine
It reaches power and might

Bridge:

1...can you see it crawl?
2...on the seek to slay all light
3...can you hear it crawl?
4... until you are dead inside!

Chorus:

Inside - no glaring fire, no warming flame
Deep inside - merely coldness, merely hate
I hate you!
If you are then weak and pale
It's will be done and your shine gone
Stolen light is highly frail
Your decay is what remains

1...can you see it crawl?
2...can you hear it crawl?

Inside - no glaring fire, no warming flame
Deep inside - merely coldness, merely hate
I hate you!

Ni eht swodahs fo ruoy enihs

LIGHTCRAWLER!
LIGHTCRAWLER!

Inside - no glaring fire, warming flame
Deep inside - there is coldness, there is hate
