

## Ce n'est Rien

## Nothing But Thieves

Our thoughts and prayers shall salvage the earth  
Honest opinions hold equal worth  
One day we'll all get what we deserve  
It's such a beautiful lie

There's a hole in the sky  
And it don't fucking matter  
Make any sound that you like  
The crueller the better  
It don't fucking matter  
A mammoth of sound  
Volcano of sound  
A mammoth of sound

Open and swallow your fantasy  
We've come to witness the death of the scene  
Fill me with pleasure or Benzedrine  
Stops me from wondering why

There's a hole in the sky  
And it don't fucking matter  
Make any sound that you like  
The crueller the better  
It don't fucking matter  
A mammoth of sound  
(It don't fucking matter)  
Volcano of sound  
(It don't fucking matter)  
A mammoth of sound

Ce n'est rien  
Ce n'est rien  
Ce n'est rien  
Ce n'est rien

A mammoth of sound  
(It don't fucking matter)  
Volcano of sound  
(It don't fucking matter)  
A mammoth of sound  
(It don't fucking matter)  
Volcano of sound  
(It don't fucking matter)  
This is a godless town  
(It don't fucking matter)  
Volcano of sound  
(It don't fucking matter)  
A mammoth of sound  
(It don't fucking matter)  
Volcano of sound  
(It don't fucking matter)  
Until you're in the ground
