

## Real Love Song

Nothing But Thieves

This is a love song, real love  
Dirty rip out the whole of your soul love  
I'll hate myself for days love  
Sitting all alone and listening to Nick Cave love

This is a dark song, real dark  
Feral tear off your skin to the bone dark  
I'll drink myself to death dark  
Do anything to feel your breath on my neck dark

Can I sing this to you?  
Got a thing about you  
And it won't go away, no  
It won't go away  
It won't go away

This is a sad song, so sad  
Aching like it's more that I can take sad  
I cried so hard I died sad  
Losing all that's making me human inside sad

Can I sing this to you?  
Got a thing about you  
And it won't go away, no  
It won't go away  
It won't go away

This is a love song, so what?  
Did it slide into your heart?  
I guess not  
I still want your love a whole lot  
Have you heard a better song?  
I hope not

Can I sing this to you?  
Got a thing about you  
And it won't go away  
It won't go away  
It won't go away  
And I just come to say  
That it won't go away  
It won't go away
