Trip Switch

Nothing But Thieves

Sharing secrets with another world
Rubbing shoulders with some unknown lovers
Making waves through the universe
Starting wars with anonymous brothers

Make a wish and I'll count to three
Press the button and we'll both be happy
Sending signals is a dirty trick
I get my love in a digital packet

What we do when the power's out
What do we do when the lights go down
What we do when the power's out
What do we do when the lights go down
Down, Down, Down, Down, Down
When the lights go down
Down, Down, Down, Down, Down

Gimme data cos I need a hit
How I love stratospheire numbers
Information, I've been craving it
Gimme yours then gimme all the others

What we do when the power's out
What do we do when the lights go down
What we do when the power's out
What do we do when the lights go down
Down, Down, Down, Down, Down
When the lights go down
Down, Down, Down, Down, Down

They put out the lights
They put out the lights
They put out the lights

What we do when the power's out
What do we do when the lights go down
What we do when the power's out
What do we do when the lights go down
Down, Down, Down, Down, Down x2
