

Mr. MTV

Nothing More

(I want my MTV)

Free drugs, cheap sex
Fake tans, big breasts
High times, pimped rides
Lost days to blackout nights
I need this, I need that
I'm not complete with what I have
If I do this, if I buy that
I'll get mine, I'll get mine

I want, I want, I want

Empty me, empty nation
Emptied us of inspiration
Bastard sons and broken daughters
All bow down to our corporate father

In my, in my, in my iLife, in my iWorld
On my iPhone, with my iGirl
Just one bite to understand
Even Eve couldn't live without the iPlan

I want, I want, I want life
I want, I want, I want

Empty me, empty nation
Emptied us of inspiration
Bastard sons and broken daughters
All bow down to our corporate father
Empty me, empty nation
Emptied us of inspiration
Bastard sons and broken daughters
All bow down to our corporate father

I want, I want, I want, I want, I want, I need it

Do this, buy that
Get my drugs and sex
Do this, buy that
Get my drugs and sex
More sex, want sex, need sex

Empty me, empty nation
Emptied us of inspiration
Bastard sons and broken daughters
All bow down to our corporate father
Empty me, empty nation
Emptied us of inspiration
Bastard sons and broken daughters
All bow down to our corporate father

Corporate father
To our father
Bastard sons and broken daughters
All bow down to our corporate father

Do this, buy that
Get my drugs and sex
