

Noise Without Sound

Nothing More

I have been waiting
Until you're all gone
A moment in mystery
Don't know how long
I will be here waiting

A subtle failure
Spinning in my head
Till you find a saviour
Might as well knock me dead
I will be here waiting

I'll be here
I'll be here yeah
Well, don't you know?
I'll be here
I'll be here

Noise without
Why can't you feel without touching?
Why can't you see without sight?
Noise without
Do you know why I am dreaming?
You are blind within light
Noise without
Sound

The world is spinning
But I stand firm
Everything they tell me
Sounds more absurd
But do they know me?
The peasants are at bay
The world may be cruel
But I will stay

I will stay
I will stay yeah
Well, don't you know?
I'll be here
I'll be here

Noise without
Why can't you feel without touching?
Why can't you see without sight?
Noise without
Do you know why I am dreaming?
You are blind within light
Noise without sound
Sound
Sound
Ohh

I don't want to let you go
I don't want to lose your soul
I don't want to let you go
I don't want to lose your soul

Take my hand

No matter how hard I try
Still can't open your eyes
Guess I'll turn and walk away
Don't let me walk away
No matter how hard I try
You can't open your eyes
Guess I'll turn and walk away
Don't let me walk away

Without sound
You can't hear the noise
Without sound
You can't hear the noise
Without sound
