

The Same

Nothing More

I can sketch your face in my mind
I can push things away for your time
Do you want things to change?
Does it have to get rearranged?

In the end how's it gonna be?
In the end will it be you and me?

All I want
Is for you to change for me
Change is all I could've
All I want
Is for you to change for me
Why can't it all stay the same?

I don't want things to change
But would it be better if they did?
You are more than a part of me
I might not be able to let go

In the end how's it gonna be?
In the end will it be you and me?

All I want
Is for you to change for me
Change is all I could've
All I want
Is for you to change for me
Why can't it all stay the same?

Why do I, why do I, why do I suffer?
Why do I, why do I, why do I suffer?
Why do I, why do I suffer?
Why do I, why do I?

All I want
Is for you to change for me
Change is all I could've
All I want
Is for you to change for me
Why can't it all stay the same?

You said you've been here before
You couldn't all come down on me
