

Watch And Learn

Nothing More

You look through me not knowing
What I am to you is nothing
One day you'll see there's more
But two [?] eyes can't open my door

I know why you try
Why you lay down inside
I know why you cry
Why you lay down inside

Watch and learn
Watch and learn

Don't believe anything they say
I know this means nothing
Leaning on a shoulder
Watch me as I move at you

I know why you try
Why you lay down inside
I know why you cry
Why you lay down inside

Watch and learn
Watch and learn

The [?] have been made
Choose some and given
It's funny how your words
Can't stop me
I will show you

I will show you
I will show you
I will show you
I will show you
I will show you

Watch and learn

Why don't you, why don't you, why don't you
Watch and learn?
