

Boy Killin

Nova Rockafeller

He was a gutter punk boy villain
Everyday boy villain
The type that thinks I have boy feelings
Spooky ass ghost

Damn straight tonight
I'm going boy killin

He was a gutter punk boy villain
Everyday boy villain
He probably thinks I have boy feelings
Spooky ass ghost

Damn straight tonight
I'm going boy killin
Boy killin
I'm going boy killin
Boy killin
I'm going boy killin

You look like my type
Yup, you broke as fuck
I give you lyft credit
Credits so you show up
I talk about whatever whatever
And then we fuck
My friends keep saying I deserve better
But tell them that this is love, right?
I got problems. They're all alcohol related
Twenty-eight I'm fucking jaded
I'm embarrassed unless I'm wasted
Move you in baby
I wanna make you hate me
You're crazy if you don't know
What you're getting into if you date me

Tonight I'm going boy killin

He was a gutter punk boy villain
Everyday boy villain
He probably thinks I have boy feelings
Spooky ass ghost

Damn straight tonight
I'm going boy killin
Boy killin
I'm going boy killin
Boy killin
I'm going boy killin
