

Procrastinatin'

Nova Rockafeller

Watching the ceiling in my house
Bringing the weed up to my mouth
Got me feeling so high now
Watching the ceiling in my house

I'm procrastinatin'
I'll do my shit tomorrow
Right now I'll blaze away the sorrows, yeah
I'm procrastinatin'

Three wishes the only thing I mentioned is riches
My life's ridiculous
I can believe this shit is what I'm living
I'm broke as fuck man
The quickest ones
Call me insufficient
I barely paid rent but shamed in an instant
My life is watching money run away and keep a distance
The days I'm getting paid are my birthday and Christmas
Verses paid rent and we got money from the show
Walk in like a g and in a week we got to buy an o
So we roll up another one like where the fuck it go?
Not the weekend but still be pouring bottles on the floor
But on a Tuesday, on a fucking Tuesday
Yo I woke up broke
My pants inside out
Can't find my phone
It's so amazing
Were just sitting around blazing
Busting out the crack guards on the PlayStation
Reggie's on the phone like "are you really still hazing?"
Ya were faded though and we should really quit playing

I'm procrastinatin'
I'll do my shit tomorrow
Right now I'll blaze away the sorrows, yeah
I'm procrastinatin'

I watch the paint dry and go smoke away
I'm smoking at the ceiling and all its openings
Knowing I can fly without open wings
One day I'm buying all those golden things
Ya, I don't know what to say it's all been said before
Sitting under starlight watching shadows on the floor
We can do this all night hidden in every [?] reasons we can't do it anymore

I got so much shit I should probably go and do
But I am just happy on the sofa sitting here with you
I'm sure I can just forget about a thing two
Procrastination is where my mind seems to fight with you
So were just sitting here looking at the ceiling
Lets roll another and chase away the feeling
Of all the stress and all the drama we been seeing
I'm bidding time to waste through the weekend

I'm procrastinatin'
I'll do my shit tomorrow

Right now I'll blaze away the sorrows, yeah
I'm procrastinatin'
...
