

# Cleopatra

Nova Twins

I'm the type of girl who likes taking the lead  
I don't give a fuck what they say about me  
They say I'm scary, I'm not ladylike, I act like a queen  
And I'll be wearing the crown whilst I'll be kissing my teeth, yeah  
Blacker than the leather that's holding our boots together  
If you rock a different shade, we come under the same umbrella  
Pharaohs and empresses, our bones made out of treasure  
I'll be twirling on swords, watch me slit and slice and sever

At night, we ride  
We come alive  
You can't run or hide  
At night, we ride  
We live, never die  
It's in our bloodlines

I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter  
Ah, I'm a boss bitch  
Ah, I'm Cleopatra  
I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter  
Ah, I'm a boss bitch  
Ah, I'm Cleopatra

When I was a kid, they always called me a freak  
And now them little bitches want to look like me  
They'll be injecting, imperfecting till it starts to weep  
You can buy your looks, but you can't change your genes  
I'm a straight talker, fucking say what you mean  
Want to know where I'm from and where the hell I've been  
From Persia to Nigeria, London to Jamaica  
Our ancestors were sailors, crossed over the equator

At night, we ride  
We come alive  
You can't run or hide  
At night, we ride  
We live, never die  
It's in our bloodlines

I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter  
Ah, I'm a boss bitch  
Ah, I'm Cleopatra  
I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter  
Ah, I'm a boss bitch  
Ah, I'm Cleopatra

Wouldn't wanna be, wouldn't wanna be  
Wouldn't wanna be anyone but me  
Wouldn't wanna be, wouldn't wanna be  
Wouldn't wanna be, I'm the fucking queen

I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter

Ah, I'm a boss bitch  
Ah, I'm Cleopatra  
I'm a samurai, samurai, samurai, dancer  
Warrior, warrior, warrior, fighter  
Ah, I'm a boss bitch  
Ah, I'm Cleopatra

Ah  
Ah
