Nova Twins

I know you're watchin' everything we do  
Pretend not to care, but we inspire you  
Go copycat, want to cat our moves  
So focused on me, you've forgotten how to be you  
Throw around your weight like a bungee off a buildin'  
Try and kill our shit, it's your body they'll be swingin'  
From the pavement to the graveyard  
A twisted little skit, but that's my imagination

You don't wanna be an enemy (Enemy)  
You wanna be a friend of me (Friend of me)  
Who the fuck are you? (You)  
What you tryna do? (Do)  
You don't wanna be an enemy (Enemy)  
Did you think that we would go away? (Go away)  
Me and my clique, yeah, we're here to stay (Here to stay)  
What you gonna do (Do)  
When I'm in front of you? (You)  
You don't want to be an enemy (Enemy)

Try turn us down on the radio  
Your girlfriend moshes to our shows  
They're linin' up all down the road  
She only cheatin' 'cause it's gettin' stale at home  
I'm not gonna take it, I'm not gonna take it  
We're not gonna take it, we're not gonna take it  
We are innovatin', we are sick of waitin'  
Every other bitch wants to jump to this

You don't wanna be an enemy (Enemy)  
You wanna be a friend of me (Friend of me)  
Who the fuck are you? (You)  
What you tryna do? (Do)  
You don't wanna be an enemy (Enemy)  
Did you think that we would go away? (Go away)  
Me and my clique, yeah, we're here to stay  
What you gonna do (Do)  
When I'm in front of you? (You)  
You don't want to be an enemy (Enemy)

It's none of your fuckin' business  
We are here, don't need permission  
Nova is now your religion  
Tell the world about our mission

You don't wanna be an enemy (Enemy)  
You wanna be a friend of me (Friend of me)  
Who the fuck are you? (You)  
What you tryna do? (Do)  
You don't wanna be an enemy (Enemy)
