

Soprano

Nova Twins

She's a bad bitch
Black Jessica rabbit
Savage
Bloodstains on the Louis dress
Have it
We'll make your eyeballs pop
Got you shaking all that jelly
Like a belly dancer
Yea we like to keep it real
Buy our nails synthetic
Paint the world red, just to match our aesthetic
Damn we look good, gotta bless our genetics like
Who are those girls bitch?
You won't forget it

Oh no, don't make us get Soprano
Riding through like Zorro
Watch us go like
Da da da
Da da da
Da da da

If you don't know
Then you'll never know
Small town, big goals
Now we're scoring gold
It's only competition, if you stand there alone
Keys in the ignition, watch us drop it down low

I wanna lick a bitch up
Show 'em how to switch up
Get so graphic, make you wanna take a picture
I like to stay high
Feel that bass down low
Frequency melt your brain like wow

Oh no, don't make us get Soprano
Riding through like Zorro
Watch us go like
Da da da
Da da da
Da da da
Da da da

I can be sexy, cute, devilish, intelligent
Mood swings, I can be passive aggressive yea
I can be your enemy, or give you all the best of me
I wanna lick a bitch up
Show 'em how to switch up
Get so graphic, make you wanna take a picture
I like to stay high
Feel that bass down low
Frequency melt your brain like wow

Don't make us get Soprano
Riding through like Zorro
