

Toolbox

Nova Twins

Drill

I'm in it for the kill (Yeah)

Drill

It in until you feel (Babe)

What you gonna do?

Watch me flip the mood

Got a toolbox, baby, let me work on you

I can fix a smile, cut your wires

Let me help your personality crisis

I can build you up, shut you down

You need to reboot, let me show you how

I can flick your switch, I can prick a stitch

I will steal your heart, then put it back in

Where'd you think you're goin'? You know this ain't a

Drill

I'm in it for the kill

I drill

It in until you feel

You can run if you like, like

It's an eye for an eye, right?

Do what I do to survive

Two wrongs help me sleep a little better at night

Yeah, I'm that witch with an attitude

I'm Xena, bitch, better move

Don't need a black briefcase or a power suit

You know I mean business when I'm comin' through

Where'd you think you're goin'? You know this ain't a

Drill

I'm in it for the kill

I drill

It in until you feel

I hate you

Drill

Did you think I'll just forget

That you left me here for dead?

Drill

I'm in it for the kill

I drill

It in until you feel
