

# All Day Long

Novastar

I may be a fool  
But till then  
Darling you  
I'll see your face  
All day long  
It lasted full of rage

It's coming in sound  
It's the last  
I will hear  
It never does  
All day long  
It lasted for your rage

When you inquire  
Why the night doesn't die  
Well it never does  
All day long  
I'm longing for your touch  
All day long  
I woo myself onto you

If you would see me  
Fire on mainstreet  
If you could feel my love  
Down in the moonshine  
All this is riverbound tonight  
Right

If you would see me  
Fire on mainstreet  
If you could see my love  
Down in the moonshine  
All this is riverbound tonight  
right
