

Howl, caught in the open  
Down, it's bleak and it's sobering  
Flower, bloom in the broken  
Cower, doped to recovering

Grow crown and suffer  
You stole, you stole in featherweight  
Grow crown and suffer  
You stole, you stole in featherweight

Sold, bought all your smokescreen  
Fold, you were all coupling  
Told, a daughter to love me  
Hold, still you're in all things

Grow crown and suffer  
You stole, you stole in featherweight  
Grow crown and suffer  
You stole, you stole in featherweight

And I see your body  
And I'll tease you slowly

Bring an ocean down

I need it, you bordered out
