

## Same Day, Same Face

Novo Amor

Same day, same face, I get it  
The same way you recognise it now  
(Forget me, I'm gone, listen up)  
(Let me have that)  
I can't say I get dramatic  
If somebody asks, please just say I died  
(Set me on fire, set me alight)  
Yeah, just let me have that

Oh, goddamn my luck  
(I said it out loud)  
Goddamn my luck  
(I should've been around)  
Goddamn my luck  
(I saw you running out)  
Goddamn my luck, goddamn

Same day, same face, I get it  
Your love is a lifesaver  
(Set me on fire, listen up)  
(Let me have it)  
Can't change my awkward timing  
If somebody asks, please just say I died  
(Set me on fire, set me alight)  
Yeah, just let me have that

Oh, goddamn my luck  
(I said it out loud)  
Goddamn my luck  
(I should've been around)  
Goddamn my luck  
(I saw you running out)  
Goddamn my luck, goddamn
