

# How We Do It

Now United

It's Now United  
Ei  
Red One  
Yeah you already know  
Badshah

I gotta reach for the life  
That I'm living for  
I gotta look to the sky  
When it's gonna pour  
And no fear for the fight  
When you're about the score  
And that's a matter of fact  
And that's a matter of fact

Cause when you see me  
You see me you see me balling (ah, ah)  
Body to body I hear 'em calling (ah)  
Yeah we going up we never falling

Oh no (let's go, let's go)  
Oh no (let's go, let's go)

'Cause this is how we do it  
There ain't no other way  
You see it how we moving  
Love find us everyday

This is how we do it  
And there ain't no other way  
So we can roll together, roll together (ah)  
Cause we all know together is always better (ah)

Cause this is how we do it  
Yeah, yeah  
This is how we do it  
Yeah, yeah

Hai kosis meri  
Jo bhi karu right karu  
Negativity se har  
Ek second fight karu  
Iss andhere me khund ko  
Main guide karu  
Iss andhere mein kisi ki  
Main light banu

Haan bak bak kare  
Peeth ke peeche  
Haan kyunki main hoon aage  
Wo hai saare peeche  
Pyar karne wale rahte  
Sir aankthon pe  
Mujhse jalne wale rahte  
Jooto ke neeche

'Cause this is how we do it

There ain't no other way  
You see it how we moving  
Love find us everyday

This is how we do it  
And there ain't no other way  
So we can roll together, roll together (ah)  
Cause we all know together is always better (ah)

Cause this is how we do it  
Yeah, yeah  
This is how we do it  
Yeah, yeah (oh, oh, oh)

Yeah  
It's all about love

How we do it  
How we do it (yeah)

When it's gonna pour  
And no fear for the fight  
When you're about the score  
And that's a matter of fact  
And that's a matter of fact

'Cause this is how we do it  
There ain't no other way  
You see it how we moving  
Love find us everyday

This is how we do it  
And there ain't no other way (no, no)  
So we can roll together, roll together (oh, oh) (ah)  
Cause we all know together is always better (ah)
