

Nobody Like Us

Now United

(Ah-uh, yeah-hey)

(Mmm)

Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Ah, ah)
There's nobody like us (Ah, ah)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Ah, ah)
There's nobody like us (Ah, ah)

Can't stop the feeling, from rushing in
Like I've fallen in, it's more than I could assume
If you only knew, just what I would do (Ah)
Come, drown in my ocean
Take me to the top, lick up every drop
I'll do anything, it'll never change
'Cause you know, I know, we know, we know

Wherever you go, I'll follow
Round trips and flights to Chicago
Living like there's no tomorrow
You know the motto

Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Ah, ah)
There's nobody like us (Ah, ah)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Ah, ah)
There's nobody like us (Ah, ah)

If I were a melody, you would be my harmony
That no one could listen to, baby only me and you
Play me like Alice in, Alice in your Wonderland
I'll do anything and it'll never change
'Cause you know, I know, we know, we know

Wherever you go, I'll follow (Yeah-yeah)
Round trips and flights to Chicago (Oh)
Living like there's no tomorrow
You know the motto (You know the motto)

Ain't nobody like us (Uh, uh) (Nobody)
Ain't nobody like us (Uh, uh) (Nobody)
Ain't nobody like us (Ah, ah) (Nobody-yeah)
There's nobody like us (Ah, ah)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh)
Ain't nobody like us (Ah, ah)
There's nobody like us (Ah, ah)

(Oh-yeah)
Nobody like, yeah

(Oh, yeah) Ain't nobody like us (Uh, uh)
Ain't nobody like us (Uh, uh) (Ain't nobody like)
Ain't nobody like us (Ah, ah) (Ain't nobody, like us)
There's nobody like us (Ah, ah)
Ain't nobody like us (Uh, uh) (Nobody)
Ain't nobody like us (Uh, uh) (Nobody)
Ain't nobody like us (Ah, ah) (Nobody-yeah)
There's nobody like us (Ah, ah) (Uh, yeah)
