

Remember Us

Now United

Gonna say this once, hope you're listening?
Tell me are you willing to lose everything?
No way that this will work unless you're gonna change
Oh oh oh, oh, oh, oh
Oh oh oh, oh, oh, oh

Gotta say you're sorry for the things you said
Watch all of your words before you trip on 'em
Can you turn it all around and turn the page?
Oh oh oh, oh, oh, oh
Oh oh oh, oh, oh, oh

You should've treated us better
(Better, better)
Thought we were in this together
(Together)
Come on now it's now or never
Take a chance tonight, don't make a mistake

When the lights fade
And the crowd goes
And the music stops
And you're all alone
You'll regret it in the end
And when it's said and done
Some things you don't forget, yeah

And you'll remember us
You'll remember us
Yeah, you'll remember us, ah-ha

Don't let the hours all go to waste
Blood sweat and tears dripping off your face
Just let the drama all ricochet
Oh oh oh, oh, oh, oh
Let it all go-oh-oh

You should've treated us better
(Better, better)
Thought we were in this together
(Together)
Come on now it's now or never
Take a chance tonight, don't make a mistake

When the lights fade
And the crowd goes
And the music stops
And you're all alone
You'll regret it in the end
And when it's said and done
Some things you don't forget, yeah

And you'll remember us
You'll remember us
Yeah, you'll remember us, ah-ha
