

## Wake Up

Now United

The damage  
That I've done to you  
I cannot handle  
I still chase your perfume  
In my bedroom  
Underneath my pillow  
And my blanket  
It haunts me when I sleep at night

Oh, God  
This ain't what I'm used to  
Full of stars  
My feelin', this emotional  
I thought  
I could see without you  
I wouldn't be the one to fall apart  
Oh, God  
This ain't what I'm used to  
I wanna  
Give it unconditional  
Is this  
Lesson that I'm with you

I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up  
No more nightmares when you lay there  
Can you stay here till the morning comes?  
I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up  
No more nightmares when you lay there  
Can you stay here till the morning comes?

That language  
That I never use  
I cannot handle  
Talkin' feelings through  
It's just a habit  
That I can't break or lose  
It's just my madness  
And I just wanna sleep at night

Oh, God  
This ain't what I'm used to  
Full of stars  
My feelin', this emotional  
I thought  
I could see without you  
I wouldn't be the one to fall apart  
Oh, God  
This ain't what I'm used to  
I wanna  
Give it unconditional  
Is this  
Lesson that I'm with you

I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up

No more nightmares when you lay there  
Can you stay here till the morning comes?  
I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up  
No more nightmares when you lay there  
Can you stay here till the morning comes?

When I close my eyes  
Yeah, all I see is you (yeah, yeah)  
But it hurts so good  
Yeah, yeah (oh, whoa)  
When I close my eyes  
Yeah, all I see is you (yeah, yeah)  
And I don't wanna wake up  
(I don't wanna wake up)

I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up  
No more nightmares when you lay there  
Can you stay here till the morning comes?  
I don't, I don't, I don't wanna wake up  
I don't, I don't, I don't wanna wake up  
No more nightmares when you lay there  
Can you stay here till the morning comes?
