

# What Are We Waiting For

Now United

Remember the time on the hood of my car?  
When we kissed looking up at the stars  
Your smile always gave you away  
And your eyes always told me to stay

You always wanted me around  
But you won't admit that right now  
You know I want you  
I know you shoot me down

What are we waiting for?  
What are we waiting for?  
All of this back and forth  
I don't wanna wait no more

You know all we have is now  
I know, I won't let you down  
What are we waiting for?  
What are we waiting for?

What are we waiting for?  
What are we waiting for?

Remember the time we made out in the kitchen?  
Baby, it's you the one that I'm missing  
Too many lonely nights and long days  
But my feelings won't seem to fade

Yes I loved you even then  
I just want it back again  
I can't forget you  
We ain't finished yet

What are we waiting for?  
What are we waiting for?  
All of this back and forth  
I don't wanna wait no more

You know all we have is now  
I know, I won't let you down  
What are we waiting for?  
What are we waiting for?

What are we waiting for?  
What are we waiting for?

Jump in head first  
We might get hurt  
I love when I wear  
Your old t-shirt

Let's not slow down  
Where are we going now?  
We will get there  
We'll be better

(Come on) Oh oh oh... (yeah, yeah)

Oh oh oh...

I don't wanna wait, no

Oh oh oh... (what can I do?)

Oh oh oh... (hey, sing with me now)

Oh oh oh...

What are we waiting for?

What are we waiting, waiting

What are we waiting for? (What are we waiting, waiting)

What are we waiting, waiting

(Oh) What are we waiting for?

Baby, tell me

What can I do?

What are we waiting for?

(Clap your hands, come on)

(No!) What are we waiting for?

Bring it to me now

What you waiting for?

What are we waiting for?

What you waiting for?

Got you baby

What are we waiting for?
