

Yeah!

Now United

Sing like a bird, believe your lines and not afraid to dance
Yeah yeah yeah
But if someone else can kill all three then they could take your chance
Yeah yeah yeah

All the competition's heating up
To make it to the top you need more than luck
Putting in extra, but they're extraordinary

I can sing yeah (Yeah)
I can dance yeah (Yeah)
I can act yeah
Put me to the test
I can sing yeah (Yeah)
I can dance yeah (Yeah)
Born to win yeah
Lemme hear a yes!
Every night, every day
All I think about is the big stage
Don't forget my name
I can sing yeah (Yeah)
I can dance yeah (Yeah)
I can act yeah
Lemme hear a yes!

I play to win I get the lead in every high school show
Yeah yeah yeah
The teachers know I'll make them cry with my angelic tone
Yeah yeah yeah

All the competitions heatin' up
But I don't break a sweat I don't need your luck
Welcome to the future, I'm history in the making

I can sing yeah (Yeah)
I can dance yeah (Yeah)
I can act yeah
Put me to the test
I can sing yeah (Yeah)
I can dance yeah (Yeah)
Born to win yeah
Lemme hear a yes!
Every night, every day
All I think about is the big stage
Don't forget my name
I can sing yeah (Yeah)
I can dance yeah (Yeah)
I can act yeah
Lemme hear a yes!

So you're a triple threat?
And you got all the factors
But tell me can you break a sweat?
Make me believe if you're an actor

You think you can impress, keep em eyes on you?
Get a standing O when you walk into the room?

You know what you gotta do
All work no play, hey you gotta push through
All day, all day

I can sing yeah (No)
I can dance yeah (No)
I can act yeah
Put me to the test
I can sing yeah (No)
I can dance yeah (No)
Born to win yeah
Lemme hear a yes!
Every night, every day
All I think about is the big stage
Don't forget my name
I can sing yeah (No)
I can dance yeah (No)
I can act yeah
Lemme hear a yes!
